

# Parallell Matrix Vector Multiplier - Results

Kristian Sørdal

University of Bergen

October 1, 2023

# Results of Row, Column and Grid based multiplication

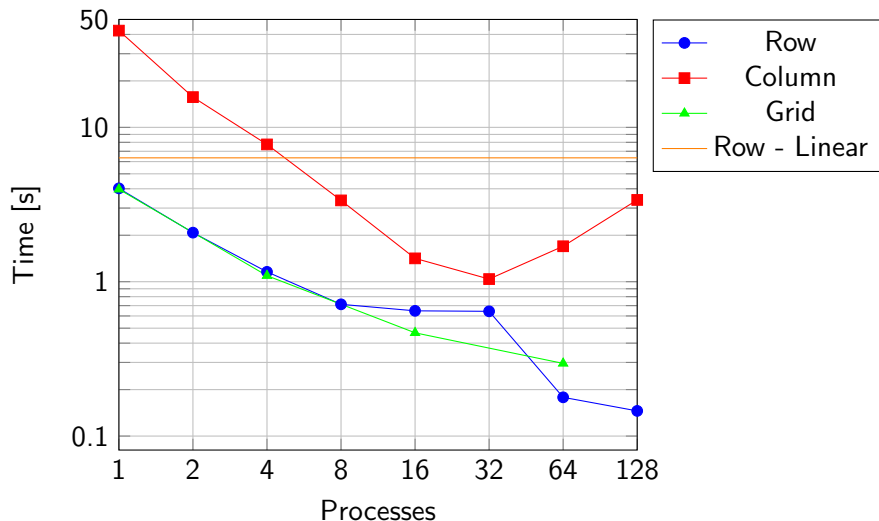

Figure: Total time - scale 15

# Results of communication times

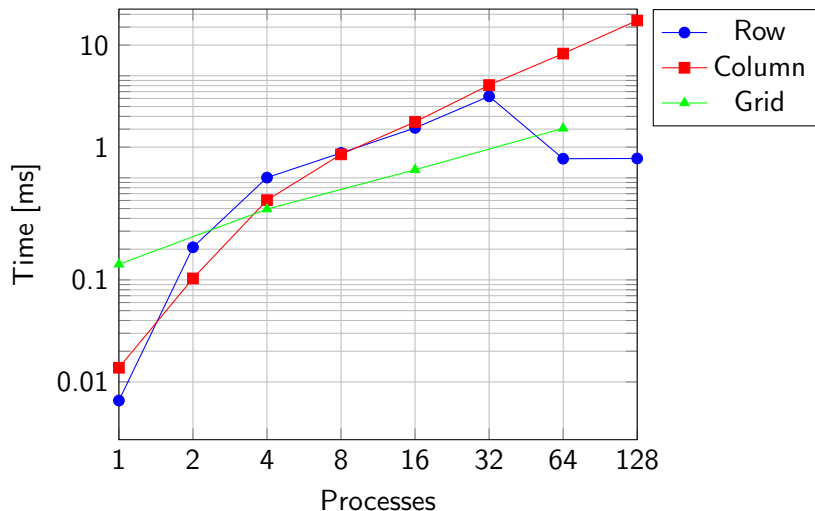

Figure: Total communication time - scale 15

# Row Based - with vs without `#pragma omp parallel` for

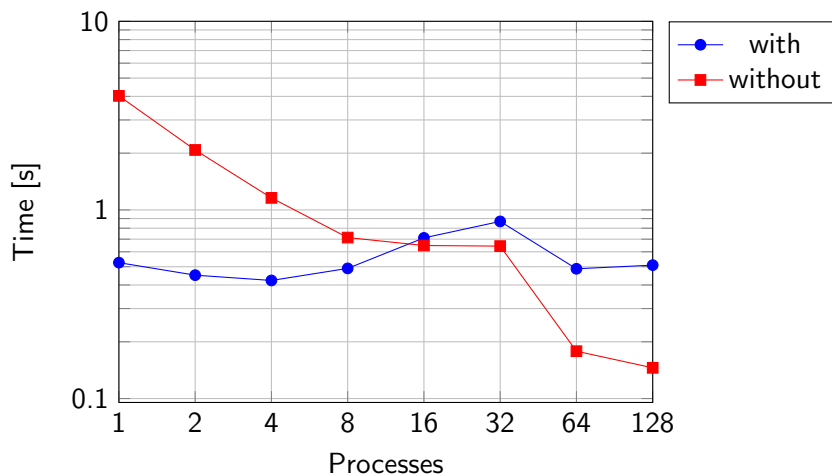

Figure: Total time - scale 15

# Column Based - with vs without `#pragma omp parallel` for

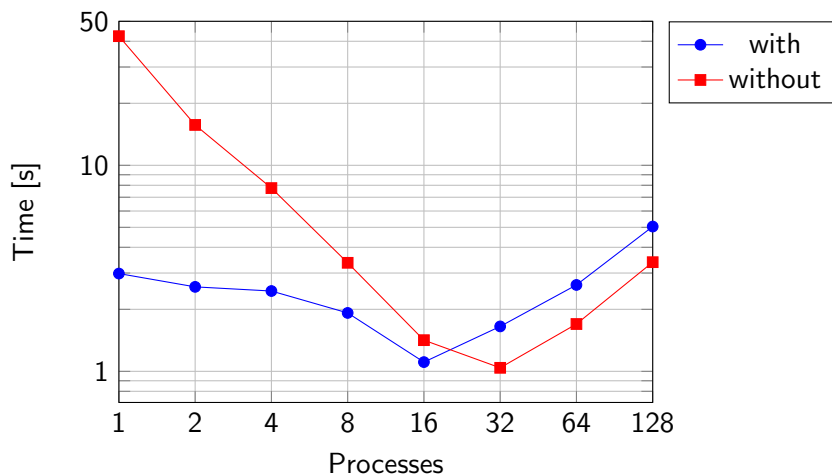

Figure: Total time - scale 15

# Grid Based - with vs without `#pragma omp parallel` for

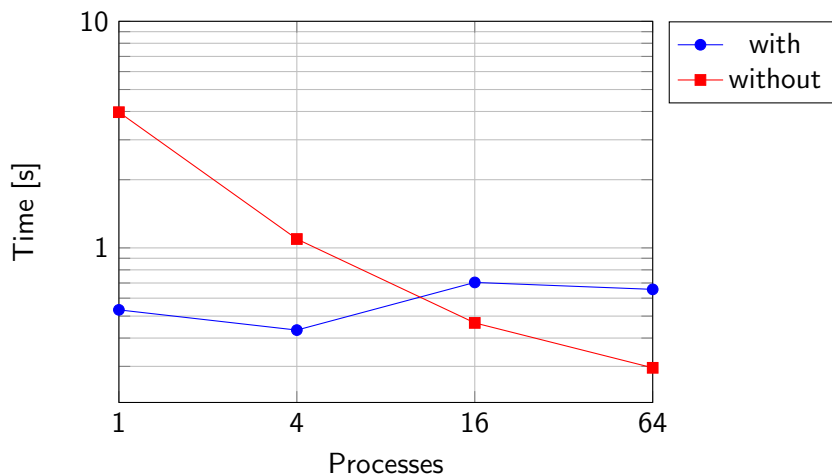

Figure: Total time - scale 15
